Reference: Mid-Year Report (1/01/03-6/30/03)

Dear Mr. DiSantis:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **An adequate response must be received at the Commission by the response date noted above.** An itemization of the information needed follows:

-Schedule A of your report (see attached) discloses one or more contributions which appear to exceed the limits set forth in the Act. 2 U.S.C. §441a(f) and 11 CFR §110.1(d) prohibit a committee and its affiliates from receiving any contribution from another political committee or person in excess of \$5,000 per calendar year.

If any apparently excessive contribution in question was incompletely or incorrectly disclosed, you must amend your original report with the clarifying information.

If any contribution you received exceeds the limits, you may have to refund the excessive amount. The funds can be retained if within 60 days of receipt, (1) the excessive amount was properly reattributed to another person, such as a joint account holder, by obtaining signed written authorizations from each person making the contribution pursuant to 11 CFR 110.1(k)(3), and (2) the treasurer informs the person making the contribution that he or she may request the return of the excessive portion of the contribution if it is not intended to be a joint contribution. Any request from a donor for a refund must be honored.

Alternatively, the funds can be retained if within 60 days of receipt you (1) transferred the excessive amount to an account not used to influence federal elections, and (2) provided written notice to the person making the contribution of the option of receiving a refund. Any request from a donor for a refund must be honored.

If the foregoing conditions for reattributions or transfers to a non-federal account were not met within 60 days of receipt, the excessive amount must be refunded.

Please inform the Commission of your corrective action immediately in writing and provide a photocopy of your check for any transfer-out or refund. In addition, any reattributions should be reported as memo entries on Schedule A of the report covering the period during which the authorization for the reattribution is received. Any transfers-out or refunds should be disclosed on Schedule B supporting Line 22 or 28 of the report during which the transaction was made.

Although the Commission may take further legal action regarding the acceptance of an excessive contribution(s), prompt action by your committee to seek reattribution, transfer-out or refund the excessive amount will be taken into consideration.

-The beginning cash balance of this report should equal the ending balance of your 2002 Year End Report. Please clarify this discrepancy and amend any subsequent report(s) that may be affected by this correction.

-Line 11(a)(i) of the Detailed Summary Page of your report discloses a total of \$706,000 in contributions from individuals/persons other than political committees. The sum of the entries itemized on Schedule A, however, indicates the total to be \$710,000. Please amend your report to clarify the discrepancy.

-Your report does not disclose any payments for salary or wages on Schedule B supporting Line 30(b) of the Detailed Summary Page. 11 CFR §100.24 defines as Federal Election Activity, services provided by an employee of a State, district or local party committee who spends more than 25 percent of their time during that month on activities in connection with a Federal election. You are advised that payments for salaries and wages for employees who spend more than 25 percent of their compensated time in a given month on Federal Election Activity or activities in connection with a Federal election must be made with Federal funds only. Please provide clarification regarding the lack of payments for salary and wages disclosed by your committee.

-Schedule H3 of your report discloses a transfer(s)-in from a non-federal account(s) for "J03 Dinner" which appears to exceed the permissible amount(s) indicated by your allocation ratio for this activity/event. Please be advised that transfers for allocated activity must not exceed the non-federal share of the joint disbursements and that these transfers must be made within a 70-day time period: no more than 10 days before or 60 days after payment to the vendor. 11 CFR §§106.6(e)(2) and 106.7(i)(2). Please clarify the nature of this transfer(s)-in from the non-federal account.

The Commission recommends that you immediately transfer the total excessive amount received by your federal account back to your non-federal account. Although the Commission may take further legal action concerning this prohibited activity, your prompt action will be taken into consideration.

-Schedule A supporting Line 15 of the Detailed Summary Page discloses a refund(s) or rebate(s) of what appears to be a previously disclosed allocable expense(s) from BellSouth, HRH Turner, Wood & Smith, Humana, Inc., Meredith Corporation, Christine M. Noonan and WRBL-Columbus. Please be advised that when a committee receives a refund or rebate of an allocable expense, it must be allocated between the federal and non-federal accounts according to the same allocation ratio used to allocate the original disbursement. Furthermore, the federal account must transfer the non-federal portion to the non-federal account and disclose this transfer-out on Schedule H4. Your report does not appear to disclose a transfer-out of the non-federal portion of this refund(s) or rebate(s). Please provide clarification regarding this apparent omission.

-Schedule H4 of your report discloses \$7,622.58 in payments for "compliance consulting fee" and "event labor" to individuals. Please clarify whether these individuals are employees of your committee. You are advised that pursuant to 11 CFR §300.33(c)(2), salaries and wages for employees who spend more than 25% of their compensated time in a given month on Federal election activity or activities in connection with a Federal election must not be allocated between or among federal, non-federal and Levin accounts. Rather, only federal funds may be used. Any reimbursement from your committee's non-federal or Levin account for salary and wage payments is not permissible and must be returned. Please provide clarification regarding these payments.

Unlike previous election cycles, you will not receive an additional notice from the Commission on this matter. Adequate responses received on or before this date will be taken into consideration in determining whether audit action will be initiated. **Requests for extensions of time in which to respond will not be considered.** Failure to provide an adequate response by this date may result in an audit of the committee. Failure to comply with the provisions of the Act may also result in an enforcement action against the committee. Any response submitted by your committee will be placed on the public record and will be considered by the Commission prior to taking enforcement action.

Electronic filers must file amendments (to include statements, designations and reports) in an electronic format and must submit an amended report in its entirety, rather than just those portions of the report that are being amended.
